

Opening Address

Welcome Message from Advisory Chair

Dear friends and colleagues,

On behalf of the President of King Mongkut's University of Technology North Bangkok (KMUTNB), I would like to welcome you to the 2021 Research, Invention, and Innovation Congress (RI2C 2021) in Virtual Platform during 1 – 2 September 2021.

From the previous successful RI2C 2019 Conferences, The RI2C 2021 in each category will provide a wonderful forum for you to refresh your knowledge basis and explore the Invention and Innovation. As the theme of the conference is Invention and Innovation and we have over 150 research works accepted to present in this event, I would like to encourage the participants to find time to meet other delegates from three main categories, including i) Materials Engineering (ME), ii) Electricals and Electronics (EE), and iii) Sustainable Sciences (SS) who come for the RI2C 2021 comprising of professors, researchers, students, and government staff to discuss about their experiences and re-vow our relationship in academic and research affairs.

I would like to thank all committee members involving with the network and organizing committee of the conference. Especially I would like to thanks the staff members of the Science and Technology Research Institute, King Mongkut's University of Technology North Bangkok that is the main organizer of the event. I wish this academic conference to be a success and achieve all the objectives.

Faithfully yours,

Professor Dr.-Ing.habil. Suchart Siengchin

President, King Mongkut's University of Technology North Bangkok
